Heywood & Delta Sensory

Departure **10.00** We will depart from the agreed pick up point with our luxury coach and experienced guide. Enjoy a morning break for hot tea / coffee and freshly made scones en route to your first stop.

Heywood Gardens Heywood Gardens were completed in 1912, and consist 50 acres of gardens, lakes, woodland and architectural features. The gardens have a spectacular setting on a hillside looking south-east over a sweep of undulating country which takes in seven counties. Enjoy a walk lined with lime trees that leads to a formal terrace overlooking the surrounding countryside. In the sunken garden, circular terraces descend to an elongated pool, where small statues of turtles gaze inquisitively at the grand fountain. Heywood promises to be a destination not to be missed. .

Delta Sensory Gardens Enjoy a guided Tour of Delta sensory Gardens, "An Oasis of Peace and Tranquility", The gardens are set on a 2.5 acre site with 16 interconnecting gardens located on the outskirts of Carlow Town. The gardens have so much to offer the visitor during all the seasons of year, from the bright and beautiful daffodils and tulips in Spring to the breathtaking colours of the autumnal foliage.
