Nationwide Pick ups available

Welcome to our new 2016 School Tour Brochure full of new and exciting ideas together with some of our favorites. We continually work with our suppliers and transport operators throughout the world to ensure we offer excellent value, quality hotels and simply great school tours.

All our tours are carefully researched to ensure that they meet the needs of all teachers and students alike. There is a little mix of everything to ensure the students receive a tour to remember. We have a number of tours in this brochure, however you will find much more on our brand new website www.marathontravel.ie

Planning / Health & Safety / General Information & FAQ's

Planning

Our team can provide you with suitable recommendations and options covering your overall itinerary including the following:

- value for money tours, covering multiple aspects of the curriculum.
- exciting visits where students can interact with exhibits and displays.
- accommodation with rooms and facilities that are suitable for children.
- suitable evening activities to keep students happy and entertained.
- a daily itinerary that carefully considers journey times onboard the coach

Coaches & Drivers

Our drivers are one of our greatest assets. When selecting them, we pay particular attention to their driving skills. They will take responsibility for travel documents such as ferry tickets and admission. Our coaches comply strictly with all EU driving regulations, paying particular attention to drivers' hours and we

are well ahead of seat belt legislation. While abroad we only use coach operators who conform to the same stringent regulations.

Inspection Visits

We encourage and can help with preliminary inspection visits, especially to new destinations. Such visits help group leaders to properly risk assess all aspects of the proposed tour in advance. We can of course provide relevant information on location, accommodation, ferries and transport if you decide that an advance visit is not possible.

Risk Assessment

We will be happy to supply information for your Risk Assessment Forms. All our coaches are fitted with seat belts and are regularly inspected.

Free Place Policy

We allow one free teacher's place for every 10 fare paying pupils

Accommodation

We can offer accommodation to any standard you require from youth hostels to four star luxury hotels. We can

guarantee your requests on issues such as special needs, meal times, room hire and room arrangements. We have included in this brochure our most popular hotels with school groups. Please feel free to make further suggestions.

Travel Insurance

Marathon Travel offers insurance from Blue Insurance, who are Ireland's leading group travel insurance company.

Ferries

We work very closely with the Ferry operators and the lowest rates to the UK and Europe, and guarantee the quality of service expected.

Flights

We arrange flights from all of the main airports in Ireland to any destination worldwide

Licensed & Bonded

We are insured, licensed & bonded with the Commission for Aviation Regulation. The bond we have with them ensures the safety of all deposits and payments. Tour operator number T.O 225.
