

London

As Western Europe's largest city, and one of the world's most visited cities now has never been a better time to take a school trip to London.

This capital city has history and culture in spades, crammed full of attractions and learning opportunities to fuel the imaginations of young students. From music to economics to art and drama the range of educational and exciting visits is arguably unsurpassed by any other city and many attractions also have educational packs which can be downloaded from their websites prior to departure. Marathon Travel bring the fun and innovation in school trips to London, while bringing the cost down and removing a burden of paperwork.
