Fly into beautiful Barcelona and enjoy your first day there before departing for Salou at the end of day.

Salou is a resort town along Spain's northeastern Costa Daurada, in the Tarragona province. Its beaches range from small, craggy coves to the busy main Llevant and Ponent strips. It's popular for windsurfing, sailing and golf. The Coastal Path, once used by fishermen like the one immortalized in a nearby statue, is now known for its sunrise and sunset views.
